

EXPERIENCE A NEW LEVEL OF CONTROL

The Automate™ Mobile App enables simple, intuitive control and system configuration from your smart phone or tablet. Advanced features like scheduling and remote access allow users to get the most out of their smart shades.

Paradigm remote controllers

Paradigm remote controls offer modern features including LCD displays, individual, group and ALL control and precision levelling, giving users complete control from an elegant hand held remote.

Available with 1 or 15 channels.

Automate™ wall switches

Automate wall switches come in both cut in and flush mount configurations and provide a sensible control option for room and whole home control.

Available with 1, 5 or 15 channels.

Automate™ light sensor

Automate light sensors automatically manage daylighting at each window, minimizing reliance on and costs of artificial light.
