

M.50. DAY & NIGHT VERTICAL

- Combine different fabrics in one blind (i.e. black-out and transparent)
- Elegant asymmetrical version with minimal light gap between fabric layers
- Symmetrical version for larger blinds and installation on the recess

M.51. DAY & NIGHT UNIVERSAL

M.70. FASCIA

- Connect multiple blinds covered by one aluminium click-on profile with a length of 580 mm (19 ft)
- Specially designed intermediate brackets: no more double brackets or extra drilling and screwing
- A special chain guide prevents for hardware cut-outs
- Plastic end caps in matching colors
- Perfect for large windows and commercial buildings
