Ultrac

**Glydea®** ULTRA

Our best in class  
just got better

Reliable, adaptable, robust and discreet; the premium solution for residential and commercial projects is now available.

As market leader, with over 160 million motors sold around the world, Somfy offers Glydea® ULTRA, the result of years of research in overall performance standards. It is the first ultra-quiet, ultra-powerful, ultra-adaptable motor for curtains.

# ultra

## QUIET

Glydea ULTRA is packed with innovations that provide an acoustic performance of less than 38 dBA...one of the quietest motorization solutions in the market. This exceptional achievement absorbs the noise and vibration within the motor and across the entire system. Experience quiet movement...and nothing else.

A must wherever silence, well-being and everyday comfort are important.

Somfy  
DESIGNED FOR  
SILENCE

# ultra

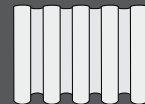

## POWERFUL

The Glydea ULTRA is absolutely discreet and offers light, fluid movement with a strong traversing capacity up to 132 lb. (60kg). Somfy's commitment to performance and strength makes this innovation possible.

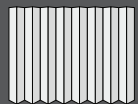

Glydea ULTRA is available for the most popular types of curtains:

Pinch Pleat

Ripplefold®

Accordia®

# ultra

## ADAPTABLE

Glydea ULTRA is suitable for every project, all decors and in any place where silence offers well-being. It is compatible with multiple technologies to suit user control preferences and is also connected to meet the needs of smart buildings and smart homes.
